

# COVID-19 RESPONSIBILITIES

Implementing the Seacoast United Return-to-Play Guidelines will require a cooperative relationship between the **Club, Coach, Parent,** and **Player.** While the **Club** and **Coach** must create a safe environment, the **Parent** must make the decision for their child to return to play. If, as a parent, you are not comfortable in your child's returning to play – **DON'T.** And finally, **Players** must be responsible to adhere to, and respect the social distancing requirements and contact guidelines that have been established. At any time, if a coach, parent or player is not adhering to protocols or respecting social distancing requirements, it is the club's responsibility to ask this individual(s) to leave the facility. The roles/responsibilities for each include:
